E5 | Facility claim detail

Member SYN-M1042; service August 12, 2026. Provider: Juniper Bay Surgery Center, facility ID SYN-F-2401. Network adjudication: in-network. Service: knee arthroscopy facility services. Place-of-service code: 24. Internal service code SYN-FAC-KNEE (not a medical code). Authorization reference SYN-AUTH-771. Status: paid. Billed \$12,000.00; allowed \$6,000.00; contractual adjustment \$6,000.00; plan paid \$4,800.00; member responsibility \$1,200.00. Deductible \$0.00; copayment \$0.00; coinsurance \$1,200.00.

E6 | Important context

Before this facility claim, the in-network deductible was fully met and \$1,200 was credited to the out-of-pocket maximum. The facility claim adds \$1,200, resulting in \$2,400. This is a separate claim, not a \$1,200 payment on the anesthesia bill. Facility adjudication is supporting evidence about the encounter; it does not establish where every professional service occurred.
