SYNTHETIC / DEMONSTRATION DATA

Record D1:E1

Member Morgan Vale, member ID SYN-OFF-M01, has active coverage for September 2026 under plan SYN-CEDAR-2026. This employer group health plan is self-funded, ERISA-governed and non-grandfathered. This is a synthetic training plan, not an actual benefit contract.

Record D1:E2

Section 7: Non-emergency out-of-network office services are excluded unless an exception applies. Section 8: Covered non-emergency anesthesiology from a nonparticipating provider at a participating hospital or ambulatory surgical center uses protected in-network cost sharing. An ordinary office is not such a facility.

Record D1:E3

Section 10: Knee MRI requires prior authorization for the rendering provider, service code and date range listed on the approval. Approval is not a guarantee of payment; active coverage and other benefit conditions still apply.

Record D1:E4

Section 13: One internal appeal is available. File within 180 calendar days after receipt of the denial. For this synthetic plan, exclude receipt day and add 180 days. Request the claim file and verify the actual intake instructions. No real destination is provided. A bill's payment request date is not the appeal deadline.
